ACCOMMODATION AGREEMENT

This Accommodation Agreement (this **"Agreement"**) is entered into this 17th day of November, 2026, by and between Cedar Lantern Wind, LLC, a Nevada limited liability company (**"Cedar Lantern"**), and Blue Meridian Transmission LLC, a Colorado limited liability company (**"Blue Meridian"**), as it pertains to those certain tracts of land in Alder County, Franklin, described in Exhibit A attached hereto and made a part hereof (the **"Property"**). Cedar Lantern and Blue Meridian may each be referred to herein as a **"Party"** or collectively as the **"Parties"**.

RECITALS

1. Cedar Lantern has obtained certain rights pursuant to the agreements described in Exhibit B attached hereto and made a part hereof (the **"Cedar Lantern Easements"**), for the purpose of developing, constructing, and operating a wind energy generation project (the **"Cedar Lantern Project"**). Cedar Lantern may also obtain additional similar rights in the future.

2. Blue Meridian has obtained certain rights pursuant to the agreements described in Exhibit C attached hereto and made a part hereof (the **"Blue Meridian Easements"**), for the purpose of developing a transmission line (the **"Blue Meridian Project"**). Blue Meridian has also more generally obtained the right of eminent domain pursuant to its status as a public utility certificated and regulated by the Franklin Public Utility Commission (**"FPUC"**), with authority to construct the Blue Meridian Project, a high voltage direct current transmission line on a particular route through certain counties in Franklin. The FPUC issued Blue Meridian a certificate of convenience and necessity (the **"CCN"**) in Case No. 19-FPUC-731-RTE to develop the Blue Meridian Project. That CCN became effective on February 14, 2018 and remains effective today. The Blue Meridian Easements are granted to develop, permit, construct, reconstruct, repair, improve, alter, replace, operate, use, inspect, maintain and remove a transmission line, on the Property, which transmission line may include poles, towers and structures, such as wires and cables as Blue Meridian shall from time to time suspend therefrom, foundations, footings, attachments, anchors, ground connections, communication devices and other equipment, accessories, access roads and appurtenances, as Blue Meridian may deem necessary or desirable in connection therewith, together with installation, operation and maintenance of fiber optic cable and other equipment needed for the transmission of communications to or by third parties (collectively, the **"Blue Meridian Facilities"**).

3. The location of Cedar Lantern's future facilities on the portion of the Property may directly interfere with the construction, maintenance and operation of Blue Meridian Facilities as shown on Exhibit D attached hereto.

4. The Parties are entering this Agreement to acknowledge the future use of the Property by Cedar Lantern and by Blue Meridian, and Cedar Lantern's agreement to work cooperatively in the layout and design of the Cedar Lantern Project over the portions of the Property where Blue Meridian Facilities may be installed, upon the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated by reference as if fully set forth herein.

2. Term. This Agreement shall terminate upon the earlier of (i) expiration of the Blue Meridian Easements and removal of the Blue Meridian Facilities, or (ii) expiration of the Cedar Lantern Easements.

3. No Interference. Each of the Parties covenants, acknowledges and agrees that (a) neither it nor its representatives, successors and assigns, subject to Blue Meridian's right of eminent domain, shall unreasonably interfere with the performance of the Cedar Lantern Project or the Blue Meridian Project (collectively, **"Operations"**) of the other Party on the Property that are in compliance with this Agreement or trespass upon or use (except as otherwise permitted herein) any improvements, structures, or personal property on the Property belonging to or related to Operations (collectively, **"Equipment"**) of the other Party that are in compliance with this Agreement; (b) it shall, and shall cause its representatives, successors and assigns to, exercise due care with respect to the Operations and Equipment of the other Party; and (c) it shall deliver notice to the other Party as promptly as reasonable under the circumstances of any damage to Equipment caused by the covenanting Party or its representatives, successors and assigns of which such Party has actual knowledge.

4. Cedar Lantern Indemnity. To the fullest extent permitted by law, Cedar Lantern shall indemnify, defend and hold Blue Meridian harmless for, from and against any and all claims, liabilities, fines, penalties, costs, damages, losses, liens, causes of action, suits, demands, judgments and expenses (including, without limitation, court costs, reasonable attorneys' fees and costs of investigation) (collectively, **"Liabilities"**) of any nature, kind or description of any person or entity directly or indirectly arising out of, resulting from or related to (in whole or in part): (i) Cedar Lantern's use of Property; (ii) construction, use, operation and repair of the Cedar Lantern Project; or (iii) any act or omission of Cedar Lantern, except to the extent such Liabilities arise from or are attributed to, in whole or in part, any negligence or willful misconduct of Blue Meridian.

5. Blue Meridian Indemnity. To the fullest extent permitted by law, and subject to Blue Meridian's right of eminent domain and the procedures applicable to eminent domain proceedings, including the process for determining just compensation, Blue Meridian shall indemnify, defend and hold Cedar Lantern harmless for, from and against any and all Liabilities of any nature, kind or description of any person or entity directly or indirectly arising out of, resulting from or related to (in whole or in part): (i) Blue Meridian's occupation or use of the Property; (ii) construction, use, state of repair or presence of the Blue Meridian Facilities; or (iii) any act or omission of Blue Meridian, except to the extent such Liabilities arise from or are attributed to, in whole or in part, any negligence or willful misconduct of Cedar Lantern.

6. **WAIVER OF CONSEQUENTIAL DAMAGES. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL BE**

ENTITLED TO, AND EACH OF CEDAR LANTERN AND BLUE MERIDIAN, ANY AND ALL RIGHTS TO RECOVER CONSEQUENTIAL, INCIDENTAL, AND PUNITIVE OR EXEMPLARY DAMAGES, HOWEVER ARISING, WHETHER IN CONTRACT, IN TORT, OR OTHERWISE, UNDER OR WITH RESPECT TO ANY ACTION TAKEN IN CONNECTION WITH THIS AGREEMENT.

Each Party hereto affirms and states that such Party has the full right, power and authority to enter into and perform under this Agreement and that the same will not contravene or result in the violation of any agreement, rule or regulation to which any such Party may be subject.

12. Covenants Running with the Land. This Agreement and conditions herein shall constitute covenants running with the land and shall be binding upon and inure to the benefit of the Parties, their personal representatives, heirs, successors and assigns.

13. Governing Law. This Agreement shall be governed by the laws of the State of Franklin and any question arising hereunder shall be construed or determined according to such law without regard to conflicts of law principles.

14. Attorney Fees. In the event either Party breaches any of the terms, covenants or conditions of this Agreement, and the other Party commences litigation to enforce any provision of this Agreement, the cost of any reasonable attorney fees and associated expenses incurred by the prevailing party in such litigation shall be paid by the non-prevailing party upon demand.

15. Severability. Should any provision of this Agreement be held in a final and unappealable decision by a court of competent jurisdiction to be either invalid, void or unenforceable, the remaining provisions hereof shall remain in full force and effect and unimpaired by the court's holding.

16. No Partnership. Nothing contained in this Agreement shall be construed to create an association, joint venture, trust or partnership covenant, obligation or liability on or with regard to any one or more of the parties to this Agreement.

17. Counterpart Execution. This Agreement may be executed with counterpart signature and in duplicate originals, each of which shall be deemed an original, and all of which together shall constitute a single instrument.
