STORAGE EASEMENT AGREEMENT

[Project name], [Name of County], State of Illinois

This Storage Easement Agreement (this "**Agreement**") is made, dated and effective as of _____ ____, 2025 (the "**Effective Date**"), by and between _____ (together with its successors, assigns and heirs, comprising "**Owner**"), and Invenergy LLC, an Illinois limited liability company (together with its transferees, successors and assigns, "**Grantee**"), and in connection herewith, Owner and Grantee agree, covenant and contract as set forth in this Agreement. Owner and Grantee are sometimes referred to in this Agreement as a "**Party**" or collectively as the "**Parties**".

1. Easement. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Owner and Grantee, upon the terms and conditions set forth in this Agreement, Owner hereby grants and conveys to Grantee an exclusive easement for energy storage facilities and related purposes over across and through the surface estate of that certain real property, including, without limitation, the air space thereon, located in [Name of County] County, (the "**County**"), State of Illinois, consisting of [number (00)] acres, as more particularly described in Exhibit A attached hereto and incorporated herein (the "**Property**") for the purposes set forth below. Grantee shall have the right to have a surveyor licensed in the State of Illinois survey the Property, in which event, upon request from Grantee, the Parties shall execute an amendment to this Agreement updating Exhibit A hereto; Owner acknowledges such amendments may occur both prior to commencement of construction (as defined in Section 3.1), during construction and after completion of construction.

2.1 Purposes of the Easement. This Agreement is solely and exclusively for energy storage purposes as such term is broadly defined, including ancillary rights related thereto and necessary for the development and operation of Energy Storage Facilities (as defined below) and not for any other purpose, and Grantee shall have the exclusive right to develop and use the Property for energy storage purposes and to derive all profits therefrom, including, without limitation, the following activities (collectively, "**Site Activities**"):

(a) Storing electricity and collecting and transmitting the electrical energy so stored;

(b) Determining the feasibility of energy storage on the Property or on adjacent lands, including studies of meteorological data, environmental, biological and cultural studies, surveys and extracting soil samples;

(c) Constructing, laying down, installing, using, replacing, relocating, reconstructing and removing from time to time, and monitoring, maintaining, repairing and operating the following only for the benefit of the Project or Projects (as defined below) (i) energy collection and electrical storage equipment of any kind (the "**Energy Storage Equipment**"); (ii) overhead and underground electrical distribution, collection, transmission and communications lines or cables, electric combiners, inverters, transformers and substations, energy storage facilities, and telecommunications equipment; (iii) roads and crane pads; (iv) control buildings, operations and maintenance facilities and buildings; (vi) fencing and related structures and fencing facilities including gates ("**Fence**" or "**Fencing**") around the Facilities; and (vii) installing, operating, maintaining, repairing and replacing any other improvements, whether accomplished by Grantee or a third party authorized by Grantee, that Grantee reasonably determines are necessary, useful or appropriate to accomplish any of the foregoing (all of the above, including the Energy Storage Equipment, collectively the "**Facilities**").

(d) Dismantling, demolishing, and removing any improvement, structure, embankment, impediment, berm, wall, fence or other object, on or that intrudes (or could intrude) onto the

Property that could obstruct, interfere with or impair the Project, as Grantee determines in its sole discretion.

(e) Excavating, grading, leveling or otherwise modifying portions of the Property as necessary or desirable in connection with the Project, including without limitation trimming or cutting down trees, shrubs or any other landscaping and vegetation on the Property;

(f) Gating or otherwise securing any access roads on or to the Property, provided that Grantee shall work with Owner to ensure Owner's commercially reasonable access to same consistent with industry standard practices; and

(g) Undertaking any other activities, whether accomplished by Grantee or a third party authorized by Grantee, that Grantee reasonably determines are necessary, useful or appropriate to accomplish any of the foregoing.

(h) The term "**Project**", for the purposes of this Agreement, means an integrated battery storage system, consisting of Energy Storage Facilities, which is constructed and operated on the Property, and/or adjacent lands, by Grantee, or a third party authorized by Grantee. Grantee may determine whether any particular group of Facilities constitutes a single Project or multiple Projects for purposes of this Agreement, and in the case of multiple Projects, which portion of the Property shall be included within each Project.

1.2 Other Uses. During the Term when Grantee construction is or is about to occur, Owner agrees to provide Grantee with current information concerning the status and location of all other land uses occurring on the Property (including, without limitation, agricultural use, industrial use and oil and gas exploration and production activities). Owner represents and warrants that there are no existing unrecorded third party use rights encumbering the Property. Any new leases or renewals and or extensions of existing leases, options to lease, seismic operations, or any other agreement made by Owner with a third party regarding the Property (including any of the foregoing related to water, oil, gas or other minerals) shall contain language that states that such third party shall not disturb, interfere with, preclude, or destroy Grantee's rights hereunder.

2. Grant of Additional Easements. Owner hereby grants, conveys and warrants to Grantee the following additional easements upon, over, across and under the Property and all other property that is adjacent to, or relatively nearby, the Property, and is owned or controlled by Owner, as of the Effective Date:

2.1 Interference. An exclusive easement for electromagnetic, audio, visual, view, light, noise, vibration, electrical, radio interference, or other effects attributable to the Equipment, the Project or any Site Activities;

2.2 Access Easement. A non-exclusive easement for ingress to and egress from the Project or Projects (whether located on the Property, on adjacent property or elsewhere) over and across the Property by means of roads and lanes thereon if existing or later constructed by Owner, or otherwise by such route or routes as Grantee may construct from time to time;

2.3 Other Easements. All other easements reasonably necessary to accomplish the activities permitted by this Agreement, including without limitation those activities described in Section 1.1 and third party utility easements (such as gas, electricity, water, and telephone).

3. Term. The term of this Agreement shall commence on the Effective Date and continue for the following described periods (collectively, the "**Term**"):

3.1 Development Term. This Agreement shall be for an initial term (the "**Development Term**") commencing on the Effective Date and continuing until the earlier to occur of: (a) the commencement of ground-breaking (land disturbance) construction of permanent facilities on the Property,

or (b) the [written number (#th)] anniversary of the Effective Date. The terms "commencing construction" and "commencement of construction" as used in this Agreement shall mean that date on which Grantee begins excavation of foundations on the Property.

3.2 Construction Term. Upon the expiration of the Development Term, the term of the Agreement shall automatically extend for an additional period (the "**Construction Term**") continuing until the earlier of: (a) the date on which Grantee begins selling electrical energy from substantially all of the Energy Storage Equipment to be included in the Project to a third-party power purchaser (as declared by Grantee, the "**Operations Date**"); or (b) two (2) years thereafter.

3.3 Operations Term. Upon the expiration of the Construction Term, the term of this Agreement shall automatically extend from the Construction Term for an additional twenty (20) year term (the "**Operations Term**").

3.4 Extended Term. Provided that Grantee has not fully surrendered or terminated this Agreement, then on or before the expiration of the Operations Term, Grantee may, at its option, extend the Operations Term for an additional twenty (20) year period (the "**Extended Term**"). Grantee may exercise its option to extend this Agreement for the Extended Term by giving Owner written notice thereof on or before the date that is one hundred and eighty (180) days prior to the expiration of the Operations Term.

4. Payments to Owner. In consideration of the rights granted hereunder, Grantee will pay Owner the amounts set forth in Exhibit B attached hereto. Exhibit B shall not be recorded without the specific prior written consent of Grantee.

5. Ownership of Facilities; Not a Fixture. Owner shall have no ownership, lien, security or other interest in any Facilities installed on the Property, or any profits derived therefrom, and Grantee may remove any or all Facilities at any time. Except for those payments described in this Agreement, including Exhibit B, Owner shall not be entitled to any other payments or benefits accrued by or from the Project, including, without limitation, renewable energy credits, environmental credits or tax credits. The Project, Facilities and the Equipment are not fixtures, and Owner may not sell, lease, assign, mortgage, pledge or otherwise alienate or encumber them or Grantee's easement rights hereunder.

6. Taxes.

6.1 Owner. Subject to the provisions of Section 6.2, Owner shall pay all taxes, assessments, or other governmental charges, general and specific, that shall or may during the Term be imposed on, or arise in connection with, the Property itself. Owner shall pay any transfer or conveyance tax arising out of this Agreement and any transfer or sale of the Property. Grantee shall not be responsible for the payment of any income or similar tax due and payable on Owner's receipt of the rental payments under this Agreement.

6.2 Grantee. Commencing on the Effective Date and continuing throughout the Term, Grantee shall be liable for any incremental increase in such taxes, assessments, or other governmental charges directly resulting from the presence of the Facilities installed upon the Property, including, but not limited to, any ad valorem and inventory taxes or against the Facilities for which a separate tax identification number has been obtained, under the authority of 35 ILCS 200/Article 10, Division 20 (or its successor) ("**Grantee Taxes**"). For any time period for which Grantee is obligated to pay Grantee Taxes prior to the date on which a separate tax parcel identification number becomes effective, Grantee shall reimburse Owner for the portion of real estate taxes that Owner pays and for which Grantee is responsible. Upon receipt of a separate tax bill for Grantee Taxes from the applicable taxing authority, Grantee shall pay such Grantee Taxes directly to the applicable taxing authority as they become due and payable, and prior to the date such Grantee Taxes become delinquent. Upon request, Grantee shall provide Owner with

appropriate evidence of payment of Grantee Taxes. Grantee agrees to fully comply with the provisions of 35 ILCS 200/10-720 through 35 ILCS 200/10-755 (or their successor statutes) of the laws of the state of Illinois. If a separate tax bill for the Grantee Taxes is not provided to Grantee, Grantee shall pay Grantee Taxes within thirty (30) days following receipt of written demand from Owner of the amount of the Grantee Taxes with a copy of the applicable tax bill. Both Parties shall pay their respective tax bills when due, and if either Party fails to make such payments when due, then the other Party may, but shall not be obligated to, pay the taxing authorities the entire amount due on the tax bill, including any interest and/or penalties and obtain reimbursement for such amount paid on behalf of such Party plus interest (computed from the date of full payment) at a rate equal to the sum of: (i) two percent (2%) per annum; plus, (ii) the prime lending rate as from time to time may be published by The Wall Street Journal under the "Money Rates" section; provided, that in no event shall such total interest exceed the maximum rate permitted by applicable law. If Grantee pays taxes, assessments, and/or real property taxes on behalf of Owner that are Owner's obligation hereunder, Grantee may offset the amount of such payments against amounts due Owner under this Agreement.

7. Indemnity/Liability.

7.1 Mutual Indemnification. Each Party (the "**Indemnifying Party**") shall defend, indemnify and hold harmless the other Party and such other Party's Related Persons (as defined below)(each, an "**Indemnified Party**") from and against any and all third party (excluding Related Persons) claims, litigation, actions, proceedings, losses, damages, liabilities, obligations, costs and expenses, including reasonable attorneys', investigators' and consulting fees, court costs and litigation expenses (collectively, "**Claims**") suffered or incurred by such Indemnified Party, arising from the negligence or intentional misconduct of the Indemnifying Party. Notwithstanding the foregoing to the contrary, Grantee may elect, upon written notice, to control any or all aspects of the defense of any legal action covered by the prior sentence.

7.2 No Liability. In no event shall either Party be liable to the other Party to the extent any Claim is caused by, arising from or contributed by the negligence or intentional misconduct of such other Party or any Related Person thereof.

7.3 Consequential Damages. In no event, whether as a result of breach of contract, warranty, indemnity, tort (including negligence), strict liability or otherwise, shall either Party be liable to the other Party for loss of profit or revenues, loss of business opportunities or for any other special, consequential, incidental, indirect or exemplary damages.

7.4 Day-to Day Operations. In no event shall Grantee or its Related Persons be liable to Owner for property damage or personal injuries to Owner or its Related Persons attributable to risks of known and unknown dangers associated with normal day-to-day operation of electrical storage facilities, such as noise, electromagnetic fields, and glare.

7.5 Owner Indemnity. To the fullest extent permitted by Law, Owner shall indemnify, defend (with counsel reasonably acceptable to Grantee) and hold harmless Grantee and Grantee's directors, lenders, officers, employees and agents against any and all Claims, to the extent resulting from or arising out of (a) any Hazardous Material existing on the Property as of the Effective Date, or (b) any violation of Section 9.5 below, which obligation shall not be subject to the limitation of liability set forth in Section 7.3 above.

7.6 Default. In no event shall either Party or its Related Persons be liable to the Other Party for expenses incurred in such other Party's lawful enforcement of its rights under this Agreement for a default during any applicable cure period.

7.7 Related Person. As used herein the term "Related Person" shall mean any affiliates, contractors, lessees, and sublessees of a Party, and each of their respective, principals, officers, employees, servants, agents, representatives, subcontractors, licensees, invitees, and/or guests.

7.8 Survival. This Section 7 shall survive the expiration or earlier termination of this Agreement.

8. Grantee's Representations, Warranties, and Covenants. Grantee hereby represents, warrants, and covenants to Owner that:

8.1 Grantee's Authority. Grantee has the unrestricted right and authority to execute this Agreement. Each person signing this Agreement on behalf of Grantee is authorized to do so. Upon execution by all Parties hereto, this Agreement shall constitute a valid and binding agreement enforceable against Grantee in accordance with its terms.

8.2 Minimal Impacts. Grantee agrees to conduct its Site Activities and to locate and operate its Facilities in such a way as to reasonably minimize impacts to the Property and to Owner's activities on the Property, to the extent practical, without negatively impacting the Facilities. If Owner's Property is fenced, all access roads constructed by Grantee on the Property shall be gated by Grantee at Grantee's expense, and Owner shall be furnished with keys or other ability to open and close such gates.

8.3 Insurance. Grantee shall, at its expense, be responsible for assuring that insurance coverages, as would be customary and reasonable for similarly situated companies performing the work carried out by Grantee at such time, are maintained, including, without limitation, adequate coverage to cover any personal injuries or accidents that could reasonably be expected as a direct result of the Site Activities conducted by Grantee or its Related Persons on the Property. Grantee shall have Owner named as additional insured on Grantee's commercial liability insurance policy for the Property.

8.4 Requirements of Governmental Agencies.

(a) Grantee, at its expense, shall comply in all material respects with valid laws, ordinances, statutes, orders, and regulations of any governmental agency applicable to the Facilities..

(b) Grantee shall have the right, in its sole discretion, to contest by appropriate legal or administrative proceedings, the validity or applicability to Grantee, the Property or Facilities of any law, ordinance, statute, order, regulation, property assessment, or the like now or hereafter made or issued by any federal, state, county, local or other governmental agency or entity. Any such contest or proceeding shall be controlled and directed by Grantee.

8.1 Construction Liens. Grantee shall keep the Property free and clear of all liens and claims of liens for labor and services performed on, and materials, supplies, or equipment furnished to, the Property in connection with Grantee's use of the Property pursuant to this Agreement; provided, however, that if Grantee wishes to contest any such lien, Grantee shall, at Grantee's sole discretion and within sixty (60) days after it receives written notice of the filing of such lien, either (i) provide a bond to Owner for the amount of such lien, or (ii) provide Owner with title insurance insuring Owner's interest in the Property against such lien claim.

8.2 Hazardous Materials. Neither Grantee nor its Related Persons shall violate any federal, state, or local law, ordinance, or regulation relating to the generation, manufacture, production, use, storage, release, discharge, disposal, transportation or presence of asbestos-containing materials, petroleum, explosives or any other substance, material, or waste which is now or hereafter classified as hazardous or

toxic, or which is regulated under current or future federal, state, or local laws or regulations, on or under the Property (each, a "**Hazardous Material**"). Grantee shall promptly notify Owner if any violation occurs.

9. Owner's Representations, Warranties, and Covenants. Owner hereby represents, warrants, and covenants as follow:

9.1 Owner's Authority. Owner is the sole fee simple owner of the Property including the subsurface estate thereof, and has the unrestricted right and authority to execute this Agreement and to grant to Grantee the rights granted hereunder. Each person signing this Agreement on behalf of Owner is authorized to do so. Upon execution by all Parties hereto, this Agreement shall constitute a valid and binding agreement enforceable against Owner in accordance with its terms.

9.2 No Interference. Owner's activities and any grant of rights Owner makes to any person or entity, shall not, currently or prospectively, disturb or interfere with: the construction, installation, maintenance, or operation of the Facilities, whether located on the Property or elsewhere; access over the Property to such Facilities; any Site Activities; or the undertaking of any other activities permitted hereunder. Without limiting the generality of the foregoing, Owner shall not erect any structures, plants or other equipment, or enter into any third party agreements or amend or extend any existing agreements ("**Third Party Agreements**") or undertake any other activities (an "**Owner Action**" or collectively the "Owner Actions") that may: (i) interfere with Grantee's right to install Facilities on any portion of the Property or (ii) otherwise interfere with Grantee's operations on the Property (each, an "**Interference**"). Prior to undertaking an Owner Action, that may cause an Interference, Owner shall consult with Grantee to confirm that such Owner Action will not cause any Interference. If Grantee reasonably determines the Owner Action could cause an Interference, then Owner shall not be permitted to undertake such Owner Action. Owner shall not disturb or permit the disturbance of the subsurface such that may impact in any way the structural integrity or the operations and maintenance of the Facilities.

9.3 Liens and Third Party Agreements. Owner represents there are no encumbrances, restrictions, leases, easements, licenses, rights of way, mortgages, deeds of trust, liens, or security interests (each an "**Encumbrance**") encumbering all or any portion of the Property that could interfere with Grantee's operations on the Property, including without limitation mechanic's liens, except for those disclosed in the real property records of the County, or as otherwise disclosed by Owner in writing to Grantee on or prior to the Effective Date. Owner shall fully cooperate and assist Grantee in removing or limiting any Encumbrances, whether recorded or unrecorded, including without limitation obtaining documentation from such third party to protect Grantee's rights as Grantee may deem necessary. Such documentation includes without limitation subordination and non-disturbance agreements for liens, and non-interference agreement for other third party rights on the property, and in any case with each document to contain those terms and conditions reasonably required by Grantee to protect its rights hereunder. In addition, Owner agrees to discharge or bond over any monetary liens that arise against the Property, such as mechanic's liens, that are not caused by Grantee or the Site Activities, within thirty (30) days of receipt of written notice of the same, such bond to be in an amount reasonably requested by Grantee. Owner's obligations set forth in this Section 9.3 shall in no way be construed as to limit Owner's other obligations hereunder with respect to third party agreements, such as those set forth in Section 9.2.

9.4 Requirements of Governmental Agencies and Setback Waiver. Owner shall assist and fully cooperate with Grantee, at no out-of-pocket expense to Owner, in complying with or obtaining any land use permits and approvals, building permits, environmental impact reviews, tax abatements or any other permits and approvals reasonably necessary for the financing, construction, installation, monitoring, repair, replacement, relocation, maintenance, operation or removal of Facilities, including, without limitation, execution of applications and documents reasonably necessary for such approvals and permits, and participating in any appeals or regulatory proceedings respecting the Facilities. To the extent permitted by law, Owner hereby waives enforcement of any applicable setback requirements respecting the Facilities

to be placed on or near the Property that are reasonably necessary, in Grantee's sole and absolute discretion, to carry out Grantee's energy storage activities on or near the Property.

9.5 Hazardous Materials. Neither Owner nor its Related Persons shall violate any federal, state or local law, ordinance or regulation relating to the generation, manufacture, production, use, storage, release, discharge, disposal, transportation or presence of any Hazardous Material. Owner shall promptly notify Grantee if any such violation occurs. To the best of Owner's knowledge, (i) no underground tanks are now located or at any time in the past have been located on the Property or any portion thereof, (ii) no Hazardous Material has been generated, manufactured, transported, produced, used, treated, stored, released, disposed of or otherwise deposited in or on or allowed to emanate from the Property or any portion thereof other than as permitted by applicable law and (iii) there are no Hazardous Materials in, on or emanating from the Property or any portion thereof which may support a claim or cause of action under any applicable law. Owner certifies it has never received any notice or other communication from any governmental authority alleging that the Property is or was in violation of any applicable law.

9.6 Litigation. No litigation is pending, and, to the best of Owner's knowledge, no actions, claims or other legal or administrative proceedings are pending, threatened or anticipated with respect to, or which could affect, the Property. If Owner learns that any such litigation, action, claim or proceeding is threatened or has been instituted, Owner shall promptly deliver notice thereof to Grantee and provide Grantee with periodic updates of the status of said litigation, action, claim or proceeding that is ongoing.

9.7 Title Insurance and Financing. Owner agrees that Owner shall execute and deliver to Grantee any documents reasonably required by the title insurance company and/or a financing party within five (5) business days after presentation of said documents by Grantee; provided, however, in no event shall such documents materially increase any obligation or materially decrease any right of Owner hereunder. Owner shall have no obligation to initiate the process to obtain title insurance on behalf of the Grantee.

10. Assignment.

10.1 Collateral Assignments. Grantee shall have the absolute right in its sole and exclusive discretion, without obtaining the consent of Owner, to finance, mortgage, encumber, hypothecate, pledge or transfer to one or more Mortgagees any and all of the rights granted hereunder, including the easements granted in Section 2, and/or any or all rights or interests of Grantee in the Property or in any or all of the Facilities.

10.2 Non-Collateral Assignments. Grantee shall have the right, without the prior consent of Owner, to sell, convey, assign or transfer (including granting co-easements, separate easements, subeasements) any or all of its rights hereunder in and to any or all of the Property provided such transfer is related to a Project. Grantee shall be relieved of all of its obligations arising under this Agreement, as to all or such portion of its interests in the Property transferred, from and after the effective date of such transfer, provided such rights and obligations have been assumed by such transferee.

10.3 Acquisition of Interest. The acquisition of all interests, or any portion of interest, in Grantee by another person shall not require the consent of Owner or constitute a breach of any provision of this Agreement and Owner shall recognize the person as Grantee's proper successor.

10.4 Transfer by Owner. Owner shall not sell, convey, assign, or transfer any of its interest in this Agreement, other than pursuant to a sale, conveyance, or transfer of the fee simple interest in the Property, or as a collateral assignment to a bona fide lender with a mortgage in the fee simple interest of the Property. Owner shall not reserve unto itself any interest in this Agreement as to any part of the

Property that is conveyed, and any conveyance of the Property shall include a full assignment of all rights in this Agreement with respect to the part of the Property conveyed. In the event that Owner so sells, conveys, assigns, or transfers such interest in the Property, Owner shall deliver written notice of the same to Grantee within fifteen (15) business days after the effective date thereof, which notice shall contain the then-current contact information (name, mailing address, email address, and telephone number) for Owner's successor in interest.

11. Default and Remedies.

11.1 Cure. If a Party defaults in or otherwise fails to perform an obligation under this Agreement, the non-defaulting Party shall not have the right to exercise any remedies hereunder if the default is cured by the defaulting Party within thirty (30) days of receiving written notice of Monetary Default (defined in Section 12.2(a) below) or within sixty (60) days of receiving notice of Non-Monetary Default (defined in Section 12.2(a) below) specifying in detail the default and the requested remedy (a "**Notice of Default**"); provided, that if the nature of a Non-Monetary Default requires, in the exercise of commercially reasonable diligence, more than sixty (60) days to cure the default, the non-defaulting Party shall not have the right to exercise any remedies hereunder, with respect to any such Non-Monetary Default, as long as the defaulting Party commences performance of the cure within thirty (30) days of receiving Notice of Default and thereafter completes such cure with commercially reasonable diligence. Further, if the Parties have a good faith dispute as to whether a payment is due hereunder, the alleged defaulting Party may deposit the amount in controversy (not including claimed consequential, special, exemplary or punitive damages) into escrow with any reputable third party escrowee, or may interplead the same, which amount shall remain undistributed and shall not accrue interest penalties, and no default shall be deemed to have occurred, until final decision by a court of competent jurisdiction or upon agreement by the Parties. No such deposit shall constitute a waiver of the defaulting Party's right to institute legal action for recovery of such amounts.

11.2 Remedies. Except as qualified by Section 12 regarding Mortgagee Protections, should a default remain uncured beyond the applicable cure periods, the non-defaulting Party shall have the right to exercise any and all remedies available to it at law or in equity, all of which remedies shall be cumulative, including the right to enforce this Agreement by injunction, specific performance or other equitable relief. Notwithstanding anything in this Agreement to the contrary or any rights or remedies Owner might have at law or in equity, if any of Grantee's Facilities are then located on the Property and Grantee fails to perform any of its non-monetary obligations hereunder beyond applicable cure periods, then Owner shall be limited to pursuing damages and Owner shall not commence any action to terminate or cancel this Agreement.

12. Mortgagee Protection. In the event that any mortgage, deed of trust, financing statement, or other security interest in this Agreement or in any Facilities, or any portion thereof (a "**Mortgage**"), is entered into by Grantee then any person who is the mortgagee, grantee or beneficiary of a Mortgage (a "**Mortgagee**") shall, for so long as its Mortgage is in existence and until the lien thereof has been extinguished, be entitled to the protections set forth in this Section 12. Grantee shall send written notice to Owner of the name and address of any such Mortgagee; provided that failure of Grantee to give notice of any such Mortgagee shall not constitute a default under this Agreement and shall not invalidate such Mortgage.

12.1 Mortgagee's Right to Possession, Right to Acquire and Right to Assign. A Mortgagee shall have the absolute right: (i) to assign its security interest; (ii) to enforce its lien and acquire title to the easement estate by any lawful means; (iii) to take possession of and operate the Facilities or any portion thereof, to exercise all of Grantee's rights hereunder, and to perform all obligations to be performed by Grantee hereunder, or to cause a receiver to be appointed to do so; and (iv) to acquire the easement estate by foreclosure or by an assignment in lieu of foreclosure and thereafter to assign or transfer the easement estate to a third party. Owner's consent shall not be required for the acquisition of the encumbered easement

or subeasement estate by a third party who acquires the same by foreclosure or assignment in lieu of foreclosure.

12.2 Notice of Default; Opportunity to Cure. As a precondition to exercising any rights or remedies as a result of any default of Grantee, Owner shall give a Notice of Default to each Mortgagee of which it has notice, concurrently with delivery of such notice to Grantee. In the event Owner gives a Notice of Default, the following provisions shall apply:

(a) A "Monetary Default" means Grantee's failure to pay when due any fee, payment or other monetary obligation of Grantee under this Agreement. Any other default by Grantee is a "Non-Monetary Default."

(b) The Mortgagee shall have the same period after receipt of the Notice of Default to remedy the default, or cause the same to be remedied, as is given to Grantee, plus, in each instance, the following additional time periods: (i) thirty (30) days, for a total of sixty (60) days after receipt of the Notice of Default in the event of any Monetary Default; and (ii) sixty (60) days, for a total of one hundred twenty (120) days after receipt of the Notice of Default in the event of any Non-Monetary Default, provided that such 120-day period shall be extended for the time reasonably required to complete such cure, including the time required for the Mortgagee to perfect its right to cure such Non-Monetary Default by obtaining possession of Grantee's easement estates in and to the Property (including possession by a receiver) or by instituting foreclosure proceedings, provided the Mortgagee acts with reasonable and continuous diligence. The Mortgagee shall have the absolute right to substitute itself for Grantee and perform the duties of Grantee hereunder for purposes of curing such default. Owner expressly consents to such substitution, agrees to accept such performance, and authorizes the Mortgagee (or its employees, agents, representatives or contractors) to enter upon the Property to complete such performance with all the rights, privileges and obligations of the original Grantee hereunder. Owner shall not take any action to terminate this Agreement in law or equity prior to the expiration of the cure periods available to a Mortgagee as set forth above.

(c) During any period of possession of Grantee's easement estates in and to the Property by a Mortgagee (or a receiver requested by such Mortgagee) and/or during the pendency of any foreclosure proceedings instituted by a Mortgagee, the Mortgagee shall pay or cause to be paid all monetary charges payable by Grantee hereunder which have accrued and are unpaid at the commencement of said period and those which accrue thereafter during said period. Following acquisition of Grantee's easement estate in and to the Property by the Mortgagee or its assignee or designee as a result of either foreclosure or acceptance of an assignment and/or deed in lieu of foreclosure, or by a purchaser at a foreclosure sale, this Agreement shall continue in full force and effect and the Mortgagee or party acquiring title to Grantee's easement estate shall, as promptly as reasonably possible, commence the cure of all of Grantee's defaults which are reasonably susceptible of being cured by the Mortgagee or party acquiring title, hereunder and thereafter diligently process such cure to completion, whereupon such defaults shall be deemed cured without incurring any default hereunder.

(d) Any Mortgagee or other party who acquires Grantee's easement interest in and to the Property pursuant to foreclosure or assignment in lieu of foreclosure shall be liable to perform the obligations imposed on Grantee by this Agreement for such interest so long as such Mortgagee or other party has ownership of the easement estate or possession of the Property.

(e) Neither the bankruptcy nor the insolvency of Grantee shall be grounds for terminating this Agreement as long as all material obligations of Grantee under the terms of this Agreement are performed by the Mortgagee in accordance with the terms hereunder.

(f) Nothing herein shall be construed to extend this Agreement beyond the Term or to require a Mortgagee to continue foreclosure proceedings after a default has been cured. If the default is cured and the Mortgagee discontinues foreclosure proceedings, this Agreement shall continue in full force and effect.

12.3 New Agreement to Mortgagee. If this Agreement terminates because of Grantee's default or if the easement estate is foreclosed upon, or if this Agreement is rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditors' rights, Owner shall, upon written request from any Mortgagee within ninety (90) days after such event, enter into a new agreement for the Property on the following terms and conditions:

(a) The terms of the new agreement shall commence on the date of termination, foreclosure, rejection or disaffirmance and shall continue for the remainder of the Term, at the same rent and subject to the same terms and conditions set forth in this Agreement.

(b) The new agreement shall be executed within thirty (30) days after receipt by Owner of written notice of the Mortgagee's election to enter a new agreement, provided said Mortgagee: (i) pays to Owner all rent and other monetary charges payable by Grantee under the terms of this Agreement up to the date of execution of the new agreement, as if this Agreement had not been terminated, foreclosed, rejected or disaffirmed; (ii) performs all other obligations of Grantee under the terms of this Agreement, to the extent performance is then due and susceptible of being cured and performed by the Mortgagee; and (iii) agrees in writing to perform, or cause to be performed, all non-monetary obligations which have not been performed by Grantee and would have accrued under this Agreement up to the date of commencement of the new agreement, except those obligations which constitute non-curable defaults. Any new agreement granted to the Mortgagee shall enjoy the same priority as this Agreement over any lien, encumbrances or other interest created by Owner.

(c) At the option of the Mortgagee, the new agreement may be executed by a designee of such Mortgagee without the Mortgagee assuming the burdens and obligations of Grantee thereunder.

(d) If more than one Mortgagee makes a written request for a new agreement pursuant hereto, the new agreement shall be delivered to the Mortgagee requesting such new agreement whose Mortgage has the superior lien position, and the written request of any other Mortgagee whose lien is subordinate shall be void and of no further force or effect.

(e) The provisions of this Section 12 shall survive the termination, rejection or disaffirmance of this Agreement and shall continue in full force and effect thereafter to the same extent as if this Section 12 were a separate and independent contract made by Owner, Grantee and such Mortgagee, and, from the effective date of such termination, rejection or disaffirmation of this Agreement to the date of execution and delivery of such new agreement, such Mortgagee may use and enjoy said Property without hindrance by Owner or any person claiming by, through or under Owner, provided that all of the conditions for a new agreement as set forth herein are complied with.

12.4 Mortgagee's Consent to Amendment, Termination or Surrender. Notwithstanding any provision of this Agreement to the contrary, the Parties agree that so long as there exists an unpaid Mortgage, this Agreement shall not be modified or amended and Owner shall not accept a surrender of the Property or any part thereof or accept a cancellation, termination or release of this Agreement from Grantee prior to expiration of the Term without the prior written consent of the Mortgagee. This provision is for the express benefit of and shall be enforceable by such Mortgagee.

12.5 No Waiver. No payment made to Owner by a Mortgagee shall constitute an agreement that such payment was, in fact, due under the terms of this Agreement; and a Mortgagee, having

made any payment to Owner pursuant to Owner's wrongful, improper or mistaken notice or demand, shall be entitled to the return of any such payment.

12.6 No Merger. There shall be no merger of this Agreement, or of the easement estate created by this Agreement, with the fee estate in the Property by reason of the fact that this Agreement or the easement estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Property and all persons (including Mortgagee) having an interest in this Agreement or in the easement estate of Owner and Grantee shall join in a written instrument effecting such merger and shall duly record the same.

12.7 Estoppel Certificates, Etc. Owner shall execute such estoppel certificates (certifying as to such matters as Grantee may reasonably request, including without limitation that no default by Grantee then exists under this Agreement, if such be the case) and/or consents to assignment (whether or not such consent is actually required) and/or non-disturbance agreements as Grantee, any transferee of Grantee or Mortgagee may reasonably request from time to time. The failure of Owner to deliver any estoppel certificate within fifteen (15) days after Grantee's written request therefor shall be conclusive evidence that (i) this Agreement is in full force and effect and has not been modified; (ii) any amounts payable by Grantee to Owner have been paid through the date of such written request; (iii) there are no uncured defaults by Grantee; and (iv) the other certifications requested by Grantee in its estoppel, are in fact, true and correct.

13. Termination.

13.1 Grantee's Right to Terminate. Grantee shall have the right to terminate this Agreement as to all or any part of the Property at any time and without cause, effective upon written notice to Owner from Grantee.

13.2 Owner's Right to Terminate. Subject to Section 12.4, Owner shall have the right to terminate all or any portion of its rights in this Agreement after the seventh (7th) anniversary of the Effective Date if, at the time Owner's written termination notice is delivered, Grantee has not commenced construction of Facilities for the Project on or near the Property.

13.3 Effect of Termination.

(a) Removal. Upon termination of this Agreement, Grantee shall, as soon as practicable thereafter, but not later than one (1) year after the termination, remove above-ground and below-ground (to a depth of three (3) feet below grade Facilities from the Property. All Property disturbed by Grantee shall be restored to a condition reasonably similar to its original condition as it existed upon the Effective Date. If Grantee fails to remove such Facilities within twelve (12) months of termination of this Agreement, or such longer period as Owner may provide by extension, Owner shall have the right to restore the Property and remove, or to cause removal of, any property owned by Grantee to the extent required by Grantee under this Section 13.3, and the right to receive reimbursement, less the salvage value of the Facilities, from Grantee for any remaining amounts reasonably incurred for removal and restoration of the Property.

(b) Security for Removal. On or before the fifteenth (15th) anniversary of the Operations Date, Grantee shall provide security to cover the estimated costs associated with removal of the Facilities on the Property in accordance with Section 13.3(a) above. The security shall be, at Grantee's option, either a surety bond, a corporate guarantee (from a financially responsible entity that is reasonably acceptable to Owner), a letter of credit, a cash deposit, or other security reasonably acceptable to Owner (the selected security being herein referred to as the "**Removal Bond**"). The amount of the Removal Bond shall be the estimated cost of (i) removing the foregoing Facilities, net of their estimated salvage value, as estimated by a licensed professional engineer selected by Grantee, and (ii) restoration of the Property in

accordance with Section 13.3(a) above. The amount of the Removal Bond shall be updated every five (5) years after the initial estimate based on a new estimate by a licensed professional engineer selected by Grantee. Notwithstanding the foregoing, if a Repowering Event (as defined below) occurs prior to the fifteenth (15th) anniversary of the Operations Date, Grantee shall not be required to deliver the Removal Bond until the first day of the calendar year following the fifteenth (15th) anniversary of the completion of such Repowering Event, unless a second Repowering Event has occurred, in which case Grantee shall not be required to deliver the Removal Bond until the fifteenth (15th) anniversary of the completion of such second Repowering Event. Once in place, Grantee shall keep the Removal Bond (or a replacement Removal Bond) in force throughout the remainder of the Term, except that upon the occurrence of a Repowering Event, Grantee may discontinue the Removal Bond until the fifteenth (15th) anniversary of the completion of the Repowering Event. In the event the county or other governmental authority requires Grantee to provide security for removal or decommissioning of a Project, Grantee shall only be obligated to provide a single Removal Bond consistent with the requirements of the governmental authority, and the governmental authority shall have access to the Property pursuant to reasonable notice to effect or complete the required removal or decommissioning. In order to maximize the economies of scale associated with the removal of a Project, Grantee may elect to have the net removal costs of the Facilities calculated on the basis of the entire Project and not on such costs solely for the Property, and the Removal Bond may be provided on that basis. As used in this Section, a "**Repowering Event**" means the removal and replacement of the Equipment, or portions thereof, on the Property with new Equipment or other components, outside of a warranty event or replacement due to equipment failure or routine maintenance, to provide an output of equal or greater rated megawatt nominal capacity from the Property.

14. Miscellaneous.

14.1 Force Majeure. If performance of this Agreement or of any obligation hereunder is prevented or substantially restricted or interfered with by reason of an event of Force Majeure (defined below), the affected Party, upon giving notice to the other Party, shall be excused from such performance to the extent of and for the duration of such prevention, restriction or interference, and the Term or any other time periods herein shall be extended for such period of time. The affected Party shall use its reasonable efforts to avoid or remove such causes of nonperformance and shall continue performance hereunder whenever such causes are removed. "**Force Majeure**" means fire, earthquake, flood, or other casualty, condemnation or accident; strikes or labor disputes; war, acts of terrorism, civil strife or other violence; pandemic or epidemic; any law, order, proclamation, regulation, ordinance, action, demand or requirement of any government agency or utility; or any other act or condition beyond the reasonable control of a Party hereto.

14.2 Condemnation. As used herein, the term "**Taking**" means the taking or damaging of the Property, the Facilities, the rights granted to Grantee pursuant to this Agreement, including without limitation any easement rights granted hereunder, or any part thereof (including severance damage) by eminent domain, condemnation or for any public or quasi-public use. A Party who receives any notice of a Taking shall promptly give the other Party a copy of the notice, and each Party shall provide to the other Party copies of all subsequent notices or information received with respect to such Taking. If a Taking occurs, then the compensation payable therefor, whether pursuant to a judgment, by agreement or otherwise, including any damages and interest, shall be distributed proportionally to Grantee and Owner based on the values of their respective interests and rights in this Agreement, the Property and the uses thereof, taking into account:

(a) with respect to Grantee, (i) the Taking of or injury to the rights granted to Grantee pursuant to this Agreement, including without limitation any easements rights granted hereunder, and the Facilities, (ii) any cost or loss that Grantee may sustain in the removal and/or relocation of the Facilities, or Grantee's chattels and fixtures, and (iii) Grantee's anticipated or lost profits, damages because of deterrent to Grantee's business and any special damages of Grantee; and

(b) with respect to Owner, the Taking of the fee title and cost to remove chattels and fixtures.

14.3 Confidentiality. To the fullest extent allowed by law, Owner shall maintain in the strictest confidence, and Owner shall require each Related Person of Owner to maintain in the strictest confidence, for the sole benefit of Grantee, all information pertaining to the financial terms of or payments under this Agreement, Grantee's site or product design, methods of operation, methods of construction, power production or availability of the Facilities, and the like, whether disclosed by Grantee or discovered by Owner, unless such information either (i) is in the public domain by reason of prior publication through no act or omission of Owner or any Related Person of Owner, or (ii) was already known to Owner at the time of disclosure and which Owner is free to use or disclose without breach of any obligation to any person or entity. To the fullest extent permitted by law, Owner shall not use such information for its own benefit, publish or otherwise disclose it to others, or permit its use by others for their benefit or to the detriment of Grantee. Notwithstanding the foregoing, Owner may disclose such information to any auditor or to Owner's family members, lenders, attorneys, accountants and other personal advisors; any prospective purchaser of or lenders for the Property; or pursuant to lawful process, subpoena or court order; provided Owner in making such disclosure advises the party receiving the information of the confidentiality of the information and obtains the agreement of said party not to disclose the information.

14.4 Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon Owner and Grantee and, to the extent provided in any assignment or other transfer under Section 10 hereof, any transferee, and their respective heirs, transferees, successors and assigns, and all persons claiming under them. References to Grantee in this Agreement shall be deemed to include transferees of Grantee that hold a direct ownership interest in this Agreement and actually are exercising rights under this Agreement to the extent consistent with such interest.

14.5 Memorandum; Recording. At Grantee's option: (i) Grantee may record a copy of this Agreement, excluding Exhibit B, or (ii) upon request from Grantee, Owner shall execute in recordable form, and Grantee may then record, a memorandum of this Agreement substantially in the form of Exhibit C attached hereto, incorporating only those non-substantive changes to the form as may be required by the applicable jurisdiction in which recording is sought and to reflect the terms of this Agreement. Owner hereby consents to the recordation of the interest of a transferee of Grantee in the Property. With respect to the Operations Term and Extended Term, upon request from Grantee, Owner shall execute, in recordable form, and Grantee may then record, a memorandum evidencing the Operations Term and Extended Term, as applicable; provided that the execution of such memorandum is not necessary for such Operations Term or Extended Term to be effective.

14.6 Notices. All notices or other communications required or permitted by this Agreement, including payments to Owner, shall be in writing and shall be deemed given when personally delivered to Owner or Grantee, or in lieu of such personal delivery services, the same day if sent via facsimile or email with confirmation, the next business day if sent via overnight delivery or five (5) days after deposit in the United States mail, first class, postage prepaid, certified, addressed as follows:

If to Owner:	If to Grantee:
_____ _____ _____ Fax: _____	Invenergy LLC One S. Wacker Drive, Suite 1800 Chicago, Illinois 60606 Attn: General Counsel Fax: 312-224-1444

Either Party may change its address for purposes of this paragraph by giving written notice of such change to the other Parties in the manner provided in this paragraph.

14.7 Entire Agreement; Amendments. This Agreement, together with all exhibits attached hereto, constitutes the entire agreement between Owner (and its respective successors, heirs, affiliates and assigns) and Grantee (and its respective successors, heirs, affiliates and assigns) respecting its subject matter, and supersedes any and all oral or written agreements. All of the provisions of the Exhibits shall be treated as if such provisions were set forth in the body of this Agreement and shall represent binding obligations of each of the Parties as part of this Agreement. Any agreement, understanding or representation respecting the Property, or any other matter referenced herein not expressly set forth in this Agreement or a subsequent writing signed by both Parties is null and void. No purported modifications or amendments, including without limitation any oral agreement (even if supported by new consideration), course of conduct or absence of a response to a unilateral communication, shall be binding on either Party unless in a writing signed by both Parties. Provided that no material default in the performance of Grantee's obligations under this Agreement shall have occurred and remain uncured, Owner shall cooperate with Grantee in amending this Agreement from time to time to include any provision that may be reasonably requested by Grantee for the purpose of implementing the provisions contained in this Agreement or for the purpose of preserving the security interest of any transferee of Grantee or Mortgagee.

14.8 Legal Matters. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Illinois. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Agreement, they agree that such dispute shall be resolved in the state courts located in the County. The Parties agree that any rule of construction to the effect that ambiguities are to be resolved in favor of either Party shall not be employed in the interpretation of this Agreement and is hereby waived. The prevailing Party in any action or proceeding for the enforcement, protection or establishment of any right or remedy under this Agreement shall be entitled to recover its reasonable attorneys' fees and costs in connection with such action or proceeding from the non-prevailing Party.

14.9 Partial Invalidity. Should any provision of this Agreement be held, in a final and unappealable decision by a court of competent jurisdiction, to be either invalid, void or unenforceable, the remaining provisions hereof shall remain in full force and effect, unimpaired by the holding. Notwithstanding any other provision of this Agreement, the Parties agree that in no event shall the Term, or the term of any easement granted herein be longer than, respectively, the longest period permitted by applicable law.

14.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same document.

14.11 Tax and Renewable Energy Credits. All benefits and incentives that result from Grantee's development and use of the Property for energy storage purposes shall accrue to the benefit of Grantee, including without limitation to any portfolio energy credits, rebates in lieu of portfolio energy credits, any reductions or credits in taxes and/or assessments, rebates, financing, federal, state and local grants, reductions in fees, participation in federal, state or local special programs or tax districts, and special programs of public utilities. If under applicable law, the holder of an easement estate becomes ineligible for any tax credit, renewable energy credit or rebate, environmental credit or any other benefit or incentive for renewable energy established by any local, state or federal government, or any public utility, then, at Grantee's option, Owner and Grantee shall exercise good faith and negotiate an amendment to this Agreement or replace it with a different instrument so as to convert Grantee's interest in the Property to a substantially similar interest that makes Grantee eligible for such credit, benefit, rebate, or incentive.

14.12 No Partnership. Nothing contained in this Agreement shall be construed to create an association, joint venture, trust or partnership covenant, obligation or liability on or with regard to any one or more Parties in this Agreement.

14.13 Waiver of Right to Trial by Jury. EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS AGREEMENT, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS AGREEMENT WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS AGREEMENT.

14.14 Public Officials. Owner acknowledges that its receipt of monetary and other good and valuable consideration hereunder may represent a conflict of interest if Owner is a government employee or otherwise serves on a governmental entity with decision-making authority (a "**Public Official**") as to any rights Grantee may seek, or as to any obligations that may be imposed upon Grantee in order to develop and/or operate the Project ("**Development Rights**"), and Owner hereby agrees to (1) recuse him/herself from all such decisions related to Grantee's Development Rights unless such recusal is prohibited by law or is not reasonably practicable considering the obligations of such Public Official's position and (2) recuse him/herself from all such decisions related to Grantee's Development Rights if such recusal is required by law. If Owner is not required pursuant to (1) or (2) above to recuse him/herself from a decision related to Grantee's Development Rights, Owner shall, in advance of any vote or other official action on the Development Rights, disclose the existence of this Agreement (but not the financial terms therein) at an open meeting of the relevant governmental entity Owner serves on as a Public Official. Additionally, if Owner is a Public Official and any of Owner's spouse, child or other dependent has a financial interest in the Project, Owner shall disclose such relationship (but not the financial terms thereof) at an open meeting of the relevant governmental entity Owner serves on as a Public Official, prior to participation in any decision related to Grantee's Development Rights.

EXHIBIT A
Description of the Property

EXHIBIT B
Payment Terms

In consideration for the rights provided to Grantee under the Agreement, Grantee agrees to make payments to Owner as follows:

1. Development Term Fees. During the Development Term, Grantee shall pay Owner [amount ($XX,XXX.000] per year (the "**Development Term Fee**"). Payment of the Development Term Fee shall be made annually, with the first payment due within forty-five (45) days following the Effective Date and each subsequent payment shall be due on or before each anniversary of the Effective Date, as applicable.

Construction Fees. Upon commencement of the Construction Term and ending on the Operations Date, Grantee shall pay owner an annual fee of [amount ($XX,000.00)] per Net Acre less any Crop Damage Compensation received (the "**Construction Term Fee**"). Payment of the Construction Term Fee shall be made annually, with the first payment due within forty-five (45) days following the commencement of construction and each subsequent payment shall be due on or before each anniversary of the Construction Term, as applicable.

3. Operating Fees. Beginning on the Operations Date and ending on the date on which Grantee ceases to operate the Energy Storage Equipment on the Property, Grantee shall pay to Owner the following amounts (collectively "**Operating Fees**"): [amount ($X,000.00)] per Net Acre of the Property per year for property inside the project Fencing and forty ($40.00) per Net Acre per year for property outside of the Fencing.

a. Escalator. Commencing on the first anniversary of the Operations Date, the amount of Operating Fees shall be adjusted upwards annually by the greater of (i) two percent (2%) per year on a compounded basis or (ii) by the percentage change, if any, in the CPI for the preceding available four quarters. "CPI" means the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) (1982-1984=100) as published by the Bureau of Labor Statistics.

b. Payment of Operating Fees, Credit. For the first payment of Operating Fees, Grantee shall receive a credit for any Development Term Fees and Construction Term Fees paid equal to the proportion of such Development Term Fee and Construction Term Fee that is applicable for number of days occurring after the Operations Date. The payment of the Operating Fees, as applicable, each calendar year shall be made in semi-annual installments, the first semi-annual payment shall be due on or before one hundred twenty (120) days following the Operations Date (or anniversary thereof) and the second semi-annual payment shall be due on or before six (6) months following the Operations Date (or anniversary thereof). Owner shall have the right to receive, upon written request, a statement from Grantee showing the computational basis for Owner's semi-annual payments.

For purposes of this Agreement "**Net Acre**" or "**Net Acreage**" means the gross area of the portion of the Property being referred to, including all internal easements and rights-of-way but excluding any and all perimeter easements and dedicated rights-of-way. Net Acreage shall be determined by a survey prepared by a surveyor licensed in the state in which the Property exists.

4. Crop Compensation: During the Construction Term, for any area of the Property that is taken out of commercial crop production for a full growing season because of the construction of the Facilities, or for any area of the Property that has been planted and is damaged or otherwise cannot be

harvested as a direct result of Grantee's construction of Facilities, Grantee shall pay Owner a one-time compensation payment equal to the fair market value of the crops that are damaged per season.

5. Timber Compensation: During the Construction Term, for any marketable timber that is felled from the Property because of the construction of Facilities, Grantee shall pay Owner a one-time compensation payment equal to the fair market value of the timber so felled.

6. CRP Payments: If Owner is a party to a U.S. Department of Agriculture conservation reserve program contract, then Grantee shall reimburse Owner for (a) any verifiable rental payments, or portion thereof, Owner would have received from the U.S. Department of Agriculture but for locating the Facilities on the Property, and (b) the verifiable penalties and interest due and payable to the U.S. Department of Agriculture as a result of the location of the Facilities on the Property.

7. Late Payment Penalty. If Grantee fails to make any payment to Owner required of it hereunder when due, interest shall accrue on the overdue amount, from the date of expiration of Grantee's cure period until the date paid, at a rate equal to the sum of: (i) two percent (2%) per annum; plus, (ii) the prime lending rate as from time to time may be published by The Wall Street Journal under the "Money Rates" section; provided, that in no event shall such total interest exceed the maximum rate permitted by law.

8. IRS Form W-9. Notwithstanding anything in this Agreement to the contrary, Grantee shall have no obligation to make any payment to Owner otherwise required under this Agreement until Owner has returned to Grantee a completed Internal Revenue Service Form W-9, such W-9 form to either (i) have been provided by Grantee to Owner prior to execution of this Agreement or (ii) be provided by Grantee to Owner promptly upon execution of this Agreement.

9. Payment Instructions. Unless otherwise indicated in the table below, all payments issued hereunder will be paid to Owner, and if Owner is comprised of more than one person or entity, such payments will be issued by a single check payable to all such persons or entities. If Owner elects to have payments made as set forth in the table below, Owner and each person or entity holding record title to the Property hereby acknowledges and agrees that all payments are legally permitted to be made as set forth in the table below and that no other party shall have any right to such payments or to contest the payments and allocations as set forth below. Each person receiving payment pursuant to the table below hereunder agrees to fully indemnify, defend and hold harmless Grantee against claims and liability by any third party in connection with its payments hereunder to the person/entities set forth herein. **Check one below:**

□ A single check should be issued payable to all persons/entities comprising Owner.

□ Separate checks should be issued to each Owner as set forth below:

MEMORANDUM OF STORAGE EASEMENT AGREEMENT

THIS MEMORANDUM OF STORAGE EASEMENT AGREEMENT (this "**Memorandum**"), is made, dated and effective as of [_____], 2025 (the "**Effective Date**"), between [_____] (together with its successors, assigns and heirs, "**Owner**"), whose address is [_____], and **Invenergy LLC**, a Delaware limited liability company (together with its transferees, successors and assigns, "**Grantee**"), with its principal offices at 1 South Wacker, Suite 1500, Chicago IL, with regards to the following:

1. Owner and Grantee did enter into that certain Storage Easement Agreement dated _____, 2025 (the "**Agreement**"), which encumbers the real property located in [Name] County, Illinois, as more particularly described in Exhibit A attached hereto (the "**Property**"). Capitalized terms used and not defined herein have the meaning given the same in the Agreement.

2. The Agreement grants, and Owner hereby grants, Grantee, among other things, (a) the exclusive right to develop and use the Property, including, without limitation, (i) for the determining the feasibility of an energy storage project, (ii) constructing, laying down, installing, using, replacing, relocating, reconstructing and removing from time to time, and monitoring, maintaining, repairing and operating Facilities (as such term is defined in the Agreement), and (iii) energy storage and collecting and transmitting the energy stored; and (b) an exclusive easement for electromagnetic, audio, visual, glare, electrical or radio interference attributable to the Facilities or Site Activities. The Agreement contains, among other things, certain Owner and third party use and development restrictions on the Property.

3. The Agreement shall be for an initial term of [number (XX)], a construction term of up to two (2) years an operations term of twenty (20) years and one extended term of twenty (20) years if the terms and conditions of the Agreement are met.

4. This Memorandum does not supersede, modify, amend or otherwise change the terms, conditions or covenants of the Agreement, and Owner and Grantee executed and are recording this Memorandum for the purpose of providing constructive notice of the Agreement and Grantee's rights thereunder. The terms, conditions and covenants of the Agreement are set forth at length in the Agreement and are incorporated herein by reference as though fully set forth herein. This Memorandum shall not, in any manner or form whatsoever, alter, modify or vary the terms, covenants and conditions of the Agreement.

5. This Memorandum shall also bind and benefit, as the case may be, the heirs, legal representatives, assigns and successors of the respective parties hereto, and all easements, covenants, conditions and agreements contained herein shall be construed as covenants running with the land.

6. Except as otherwise set forth in the Agreement, Owner shall have no ownership, lien, security or other interest in any Facilities installed on the Property, or any profits derived therefrom, and Grantee may remove any or all Facilities at any time.

7. This Memorandum may be executed in counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same document.
